

**SAYS SALESMAN  
IS A BURGLAR**

Police, With Fingerprint Records, Accuse Rappaport of Being "Rapp."

Albert H. Rappaport, who says he is a salesman, of No. 122 Middleton Street, Brooklyn, was arraigned in Jefferson Market Court to-day charged with burglary. Detective Max Leaf, who arrested him, accused him of being concerned in the theft of \$2,000 worth of Liberty Bonds and \$7,000 worth of clothing from the Norbert Clothing Shop at No. 1177 Broadway. The safe in the place was blown Sept. 10. Tags from the stolen clothing were said to have been found in rooms in the same building which had been leased in the name of "Rapp," but left uncoupled after the burglary.

Fingerprints of "Rapp," whom the police say is Rappaport, show, the police say, that he had been arrested three times on charges of forgery.

**CONTRACTOR HELD  
AS WIFE DESERTER**

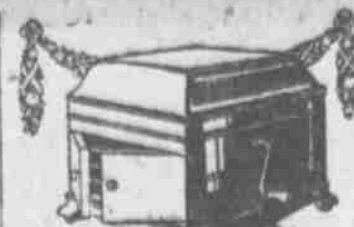

Bishop, Brought Back From Chicago, Says He Was to Send for Family.

Arthur Bishop, twenty-eight, an electrical contractor, whose home is in Lincoln Avenue, Rockville Centre, L. I., was arraigned before Police Justice Thorp there on a charge of deserting his wife and three small children, and held in \$1,000 for examination Monday. According to his wife, Mrs. Jeanette Bishop, he married a Brooklyn woman and went to Chicago with her Sept. 5.

Bishop told the Court he went to Chicago with a definite understanding with his wife that he was to get work in that city and send money for her and the children to join him. He was arrested in Chicago on his wife's complaint.

**HEARN****Women's Tenderfoot  
Combination Last Shoes  
13.95**

These shoes are made by J. J. Grover, famous as a specialist in comfort-giving shoes. They are constructed to give a perfect fit to women who find it exceedingly hard to be fitted except in the far more expensive custom-made shoes.

There are two styles, both good looking and sensible—made of finest selected soft black kidskin. One style has round plain toe and military heel; the other has a broad toe with kid tip and low flat heel.

The special feature to be noted about these shoes is that they are extra wide at the ball and measure two widths narrower at the heel. Every woman who has a narrow heel in proportion to the ball of her foot can tell you how rare it is to find shoes made on such a last, and what a blessing it is when they are found, and especially at such a moderate price as is asked for these.

Sizes—4 to 9

Widths—C, D, E and EE

A great variety of other styles in Tenderfoot Shoes, including every new model for Autumn and Winter, are shown in our Shoe Section—also complete line of Daniel Green Comfy Slippers—for Men, Women and Children.
